✨ Grade 2 English — Characters ✨

Name: Demo Grade 2 **Date:** 26/11/2026

Let's think it through together!

1

1) "Hugo was too shy to speak in front of the class, but quietly left an encouraging note on a sad classmate's desk."
What did Hugo leave on the classmate's desk?
2) "Maya practised her violin every day after school, even when her friends wanted to play outside, because she dreamed of playing in the school concert."
What did Maya practise every day?
(Separate your two answers with a comma.)

2

1) "Finn asked question after question about how the old clock worked, determined to understand every gear inside."
What did Finn ask about?
2) "Ryan rewrote their story three times until every sentence made sense, because they wanted to enter it in the school writing competition."
What did Ryan do to their story?
(Separate your two answers with a comma.)

3

Read: "Sienna offered her seat on the bus to an elderly man, even though her feet were tired from a long day."
What did Sienna offer to the elderly man?

4. "Chloe raised her hand and answered every question in class because she had studied hard the night before."
What did Chloe raise in class?

_____

5. Read: "Jasper practised free throws every single afternoon after school, determined to win the basketball trophy."
What did Jasper practise every afternoon?

_____

6. "Ben practised free throws every single afternoon after school, determined to win the basketball trophy."
What did Ben practise every afternoon?

_____

7. Read: "Chloe raised her hand and answered every question in class because she had studied hard the night before."
What did Chloe raise in class?

_____

8. Read: "Daisy sat quietly beside their little cousin, helping them tie their shoelaces again and again until they finally got it right."
What did Daisy help their cousin do?

_____

9

1) "Cooper double-checked every answer on his test before handing it in, because he wanted to make sure it was correct."
What did Cooper do before handing in his test?
2) "Sienna shared their lunch with a classmate who had forgotten theirs at home, without being asked."
What did Sienna share?
(Separate your two answers with a comma.)

10

Read: "Noah spent the whole afternoon watching ants carry crumbs back to their nest, writing down everything they noticed in a little notebook."
What did Noah write down?

You did it — great work!
