Let's think it through together!

1. Write 'dolphin' as two syllable-chunks, separated by a hyphen.

2. Break this word into syllables using a hyphen: 'magnet'

3. Pretend 'tome' is a word. Split it into its two syllables with a hyphen.

4. Write 'picnic' as two syllable-chunks, separated by a hyphen.

5. Split 'kitten' into its two syllables with a hyphen.

6. Break this word into syllables using a hyphen: 'pencil'

7. 'lani' is a made-up word. Break it into syllables using a hyphen.

8. 'vaho' is a made-up word. Break it into syllables using a hyphen.

9. Write 'sandal' as two syllable-chunks, separated by a hyphen.

10. Write 'tunnel' as two syllable-chunks, separated by a hyphen.

You did it — great work!
