✨ Grade 2 English — Listening ✨

Name: Demo Grade 2 **Date:** 26/11/2026

Let's think it through together!

1. Your swimming instructor is explaining something important. What is the best thing to do while they are talking — "Stay quiet and pay attention." or "Look at your phone and ignore them."?

2. Your guest speaker is explaining something important. What is the best thing to do while they are talking — "Talk to a friend about something else." or "Wait until they finish before speaking."?

3. Your friend is telling you about their weekend. What is the best thing to do while they are talking — "Look at your phone and ignore them." or "Look at them and listen to what they say."?

4. What is the best thing to do while listening in each situation? (Separate your two answers with a comma.) 1) Your parent asks you to repeat back their instructions. 2) Your school principal is explaining something important.

5. Your grandparent is telling a story from long ago. What is the best thing to do while they are talking — "Look bored and yawn loudly." or "Listen with interest and ask questions."?

6. Your grandparent is explaining something important. What is the best thing to do while they are talking — "Wander off while they are talking." or "Stay quiet and pay attention."?

7. What is the best thing to do while listening in each situation? (Separate your two answers with a comma.) 1) Your parent is explaining something important. 2) Your teacher calls your name to answer a question.

8. What is the best thing to do while listening in each situation? (Separate your two answers with a comma.) 1) Your librarian is explaining something important. 2) Your swimming instructor is explaining something important.

9. What is the best thing to do while listening in each situation? (Separate your two answers with a comma.) 1) Your school principal is explaining something important. 2) Your music teacher is explaining something important.

10 A friend asks you a question. Which is the better listening choice — "Listen to the whole question before answering." or "Answer before they finish speaking."?

You did it — great work!
