✨ Grade 2 English — Oral Presentation ✨

Name: Demo Grade 2 **Date:** 26/11/2026

Let's think it through together!

1. For each one, which is the better presentation tip (separate your two answers with a comma)? 1) You are about to give a talk to the class. Should you mumble an unclear first sentence or start with a clear, interesting opening? 2) Giving a talk to the class — which is the better choice: to practise your talk beforehand, or to read it for the first time in front of everyone?

2. You are about to give a talk to the class. Should you smile and look confident or hide behind your notes?

3. Giving a talk to the class — which is the better choice: to speak at a steady pace, or to rush through it as fast as you can?

4. For each one, which is the better presentation tip (separate your two answers with a comma)? 1) You are about to give a talk to the class. Should you hide your pictures from view or show your pictures to the class? 2) Giving a talk to the class — which is the better choice: to just stop talking suddenly, or to finish with a clear ending?

5. For each one, which is the better presentation tip (separate your two answers with a comma)? 1) Giving a talk to the class — which is the better choice: to look at your audience, or to stare at the floor? 2) Giving a talk to the class — which is the better choice: to keep to your topic, or to wander off onto other topics?

6. For each one, which is the better presentation tip (separate your two answers with a comma)? 1) You are about to give a talk to the class. Should you keep to your topic or wander off onto other topics? 2) Giving a talk to the class — which is the better choice: to shuffle your notes mid-talk and lose your place, or to bring your notes in order?

7. For each one, which is the better presentation tip (separate your two answers with a comma)? 1) Giving a talk to the class — which is the better choice: to slouch, or to stand up straight? 2) Giving a talk to the class — which is the better choice: to pause between important points, or to rush every sentence together with no pauses?

8. For each one, which is the better presentation tip (separate your two answers with a comma)? 1) Giving a talk to the class — which is the better choice: to speak loud enough for the back row to hear, or to speak so quietly no one can hear? 2) Giving a talk to the class — which is the better choice: to rush every sentence together with no pauses, or to pause between important points?

9

For each one, which is the better presentation tip (separate your two answers with a comma)? 1) Giving a talk to the class — which is the better choice: to mumble your words, or to speak clearly? 2) You are about to give a talk to the class. Should you look at your audience or stare at the floor?

10

For each one, which is the better presentation tip (separate your two answers with a comma)? 1) You are about to give a talk to the class. Should you shuffle your notes mid-talk and lose your place or bring your notes in order? 2) You are about to give a talk to the class. Should you read every single word without looking up or hold your notes and glance at them?

You did it — great work!
