Let's think it through together!

1. Add a silent 'e' to the end of 'fad' to make a new word. What word do you get?

2. Put a magic 'e' on both 'hop' and 'not'. What are the two new words? (Comma-separated.)

3. 'kup' is a made-up word. Add a silent 'e' to the end of it — what would it become?

4. Add a silent 'e' to the end of 'mer' and to the end of 'tap'. What two words do you get? (Separate them with a comma.)

5. Add a silent 'e' to the end of 'tam' and to the end of 'hug'. What two words do you get? (Separate them with a comma.)

6. If you put a silent 'e' on the end of 'shar', what new word is formed?

7. Add a silent 'e' to the end of 'wip' to make a new word. What word do you get?

8. Put a magic 'e' on both 'fam' and 'her'. What are the two new words? (Comma-separated.)

9. Put a magic 'e' on both 'scor' and 'kit'. What are the two new words? (Comma-separated.)

10. Put a magic 'e' on both 'shar' and 'rid'. What are the two new words? (Comma-separated.)

You did it — great work!
