Let's think it through together!

1. Compare 'telephone' and 'spider'. Which one has more beats?

2. Clap out the word 'carpet'. How many syllables (beats) does it have?

3. Which word has more syllables (beats): 'helicopter' or 'carpet'?

4. Pretend 'pelo' is a word. Break it into beats. How many beats do you count?

5. Break 'candle' into beats. How many beats do you count?

6. Pretend 'damafi' is a word. Break it into beats. How many beats do you count?

7. Break 'monster' into beats. How many beats do you count?

8. Break 'umbrella' into beats. How many beats do you count?

9. Break 'caterpillar' into beats. How many beats do you count?

10. Compare 'telephone' and 'tomato'. Which one has more beats?

You did it — great work!
