✨ Grade 2 Maths — Fractions ✨

Name: Demo Grade 2 **Date:** 26/11/2026

Let's think it through together!

1. A chocolate bar is cut into 10 equal slices. You eat 5 of them. What fraction of the chocolate bar did you eat?

2. What is 1/12 of 336?

3. What is 1/10 of 100?

4. Order these from biggest to smallest: 1/10, 1/4, 1/2

5. What is 1/4 of 132?

6. Order these from biggest to smallest: 1/12, 1/4, 1/2

7. Order these from biggest to smallest: 1/3, 1/9, 1/4

8. Order these from biggest to smallest: 1/10, 1/12, 1/5

9. What is 1/8 of 200?

10. A sandwich is cut into 3 equal slices. You eat 1 of them. What fraction of the sandwich did you eat?

You did it — great work!
