✨ Grade 3 English — Inference & Prediction ✨

Name: Demo Grade 3 **Date:** 26/11/2026

Let's think it through together!

1. Read the clues: "The picnic blanket was soaked and everyone ran for the car holding umbrellas." What can you infer happened?

2. Answer both (separate your two answers with a comma). 1) Read the clues: "Sam's trophy sat proudly on the shelf next to his running shoes and medal." What can you infer about Sam? 2) Read the clues: "Every seat in the theatre was filled and people were cheering before the show even started." What can you infer?

3. Read the clues: "Everyone wore paper party hats, and a banner reading "Congratulations" hung on the wall." What can you infer is happening?

4. Read the clues: "The oven timer buzzed loudly, and a sweet smell filled the whole house." What can you infer was happening?

5. Answer both (separate your two answers with a comma). 1) Read the clues: "The garden hose was left running and the flower beds were completely flooded." What can you infer happened? 2) Read the clues: "Every umbrella in the shop had sold out by lunchtime." What can you infer about the weather?

6. Read the clues: "Balloons were tied to every chair, and a cake sat on the table with unlit candles." What can you infer is happening?

7. Answer both (separate your two answers with a comma). 1) Read the clues: "The garage was full of boxes and the walls were bare except for nail holes." What can you infer? 2) Read the clues: "The garden hose was left running and the flower beds were completely flooded." What can you infer happened?

8. Read the clues: "The furniture was wrapped in plastic sheeting, and the walls were bare except for a few nail holes." What can you infer is happening?

9. Read the clues: "Boxes were stacked in every room, and the furniture was wrapped in plastic sheeting." What can you infer is happening?

10

Answer both (separate your two answers with a comma). 1) Read the clues: "The garage was full of boxes and the walls were bare except for nail holes." What can you infer? 2) Read the clues: "The fridge was completely empty and the family had ordered takeaway three nights in a row." What can you infer?

You did it — great work!
