✨ Grade 4 English — Multimodal Communication ✨

Name: Demo Grade 4 **Date:** 26/11/2026

1. What mode of communication uses spoken words and sound?

2. Does a weather app with icons, numbers and short text count as multimodal?

3. What mode of communication does an audiobook with no sound effects mainly use — visual, audio, written, gestural, or spatial?

4. What mode of communication does a garden's design plan mainly use — visual, audio, written, gestural, or spatial?

5. Does a video game cutscene combine more than one mode of communication (e.g. words, images, sound)?

6. Does a movie trailer combine more than one mode of communication (e.g. words, images, sound)?

7. Answer both (separate your two answers with a comma). 1) What mode of communication combines written words with pictures, like a comic strip? 2) Does a poster with pictures, headings and text count as multimodal?

8. Answer both (separate your two answers with a comma). 1) Does an emoji added to a text message change how the words are understood? 2) What mode of communication uses only pictures, no words?

9. What should a caption under an infographic image typically explain?

10. Does background sound in a video game affect how exciting a scene feels?
