📖 The Missing Jumper

Ethan realised their jumper was missing right before the last lesson of the day. Ethan retraced every step of the morning, checking the classroom, the playground, and the hallway. Eventually, a classmate found it on a shelf in the library and handed it back with a smile. Ethan was relieved to have it back before packing up for home time.

1. What went missing?

2. What did Ethan do first?

3. Who found it?

4. Where was it found?

5 When did Ethan get it back?
