✨ Grade 6 English — Digital Literacy ✨

Name: Demo Grade 6 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) Should you give out your home address or school name to someone you only met online? 2) What should you look for to judge whether a website is trying to inform or persuade you?

2. Answer both (separate your two answers with a comma). 1) What is it called when a digital text is designed to appear objective but favours one side? 2) Should you believe a "miracle cure" claim shared in a social media post?

3. Answer both (separate your two answers with a comma). 1) What is it called when a digital text is designed to appear objective but favours one side? 2) What should you check about a website before trusting information on it, such as who runs it?

4. Answer both (separate your two answers with a comma). 1) Should you re-share a dramatic story before checking if it has been reported anywhere else? 2) Should you believe a claim just because a post has many likes or shares?

5. Answer both (separate your two answers with a comma). 1) Should a strong opinion stated confidently always be treated as a proven fact? 2) What should you check before trusting information found on a website?

6. Answer both (separate your two answers with a comma). 1) Should a strong opinion stated confidently always be treated as a proven fact? 2) What is it called when a website only shows information that supports one point of view?

7. Answer both (separate your two answers with a comma). 1) Should you consider the comments or reviews under a post as proof of accuracy? 2) What is a website ending in ".gov" or ".edu" often considered to be, compared to random sites?

8. What should you check about an image before assuming it accurately represents an event?

9. Should you trust information just because it appears first in a search result?

10. Answer both (separate your two answers with a comma). 1) What should you check about an image before assuming it accurately represents an event? 2) What is it called when a comment section is flooded with fake accounts pushing one opinion?
