Name: Demo Grade 6 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) Should paragraphs connect logically to the ones before and after them? 2) What is it called when paragraphs are ordered from a general idea to increasingly specific points?

2. Which connective introduces a paragraph giving an example from the previous idea: 'furthermore' or 'for instance'?

3. Answer both (separate your two answers with a comma). 1) What is the effect of strong paragraph cohesion on an essay overall? 2) Which connective shows one paragraph builds directly on evidence from the last: 'building on this' or 'meanwhile'?

4. Answer both (separate your two answers with a comma). 1) Which connective introduces the final major point in a sequence: 'finally' or 'meanwhile'? 2) What is the purpose of an essay's body paragraphs working together?

5. Which connective introduces a paragraph giving an example from the previous idea: 'likewise' or 'for instance'?

6. Which connective introduces a paragraph that summarises everything before it: 'therefore' or 'in conclusion'?

7. Which connective introduces a paragraph that builds on the previous idea: 'building on this' or 'simultaneously'?

8. Answer both (separate your two answers with a comma). 1) Should every paragraph relate back to the overall thesis or main argument of the essay? 2) What is it called when the last sentence of one paragraph sets up the topic of the next?

9. Which connective introduces a paragraph that contrasts with the one before it: 'however' or 'simultaneously'?

10. Answer both (separate your two answers with a comma). 1) Should a reader be able to tell how two consecutive paragraphs relate without re-reading both fully? 2) Which connective links a new paragraph to a contrasting idea in the previous one: 'however' or 'similarly'?
