✨ Grade 6 English — Reading Fluency ✨

Name: Demo Grade 6 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) What word describes reading that sounds flat and lacks natural rhythm or expression? 2) Should you stop completely at a semicolon while reading aloud?

2. Answer both (separate your two answers with a comma). 1) What word describes using your voice to match the meaning and mood of a text? 2) Should your pace slow down for a complex, technical text?

3. How should your voice and pace change when you reach the end of this sentence: "Our teacher argued about the ongoing problem!"?

4. How should your voice and pace change when you reach the end of this sentence: "The new student planned the hidden cave:"?

5. Answer both (separate your two answers with a comma). 1) How should a reader's pace adjust for a dense, technical passage full of statistics? 2) What is it called when your reading sounds natural, like everyday speech?

6. How should your voice and pace change when you reach the end of this sentence: "The city council revealed the new policy:"?

7. Answer both (separate your two answers with a comma). 1) What word describes using your voice to match the meaning and mood of a text? 2) Should you practise reading a complex passage multiple times to improve fluency?

8. Answer both (separate your two answers with a comma). 1) Should your pace slow down for a complex, technical text? 2) Should you pause briefly at a comma while reading aloud?

9. Answer both (separate your two answers with a comma). 1) Should you stop completely at a semicolon while reading aloud? 2) What is it called when you read with the correct emotion and tone to match the text?

10. How should your voice and pace change when you reach the end of this sentence: "The young pilot celebrated the missing files?"?
