✨ Grade 6 English — Setting & Atmosphere ✨

Name: Demo Grade 6 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "Streamers hung from every doorway while music and laughter filled the brightly lit hall."? 2) What mood does this setting create: "Fog rolled in thick over the empty pier, muffling every sound except the creak of old rope."?

2. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "Warm lantern light spilled from every window of the cosy mountain lodge."? 2) What mood does this setting create: "Smoke rose from the ruins as sirens wailed somewhere in the distance."?

3. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "Waves lapped gently at the shore as the sun dipped below a calm, golden horizon."? 2) What mood does this setting create: "Laughter and clinking glasses filled the ballroom beneath a sparkling chandelier."?

4. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "Thunder cracked directly overhead as hail hammered against the tin roof of the old barn."? 2) What mood does this setting create: "The narrow alley smelled of damp stone, and every sound echoed strangely between the walls."?

5. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "Sirens wailed through smoke-filled streets as people ran in every direction."? 2) What mood does this setting create: "Warm bread and spices filled the air of the busy kitchen as pots clattered happily."?

6. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "The abandoned corridor stretched into darkness, every footstep echoing off the crumbling walls."? 2) What mood does this setting create: "Fog rolled in thick over the empty pier, muffling every sound except the creak of old rope."?

7. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "Warm bread and spices filled the air of the busy kitchen as pots clattered happily."? 2) What mood does this setting create: "Waves lapped gently at the shore as the sun dipped below a calm, golden horizon."?

8. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "Snow fell silently over the sleeping village, blanketing every rooftop in soft white."? 2) What mood does this setting create: "Waterfalls crashed through the lush green canyon, mist rising into rays of sunlight."?

9. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "Dust motes drifted through a single beam of light in the silent, forgotten attic."? 2) What mood does this setting create: "The battlefield lay silent except for the distant cry of a single crow."?

10. Answer both (separate your two answers with a comma). 1) What mood does this setting create: "The neon signs flickered above crowded streets as horns blared and crowds pushed past each other."? 2) What mood does this setting create: "Fog rolled in thick over the empty pier, muffling every sound except the creak of old rope."?
