✨ Grade 6 English — Summarising ✨

Name: Demo Grade 6 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) Which is the best summary: "The injured dancer was told she might never perform again, but years of physiotherapy led to her return to the stage." — "Persistence through physiotherapy led to the dancer's return" or "The dancer never performed again after her injury"? 2) Which is the best summary: "The village had no reliable water source for decades. Engineers built a new well, and within a year, crop yields had doubled." — "A new well transformed the village's water supply and farming" or "The village never solved its water problem"?

2. Answer both (separate your two answers with a comma). 1) Which is the best summary: "The company's old factory caused significant pollution, but after installing new filters, emissions dropped by over 80 percent." — "New filters dramatically reduced the factory's pollution" or "The factory closed down due to pollution"? 2) Which is the best summary: "The pilot faced a dangerous mechanical failure mid-flight but used emergency training to land the plane safely with no injuries." — "Quick thinking helped the pilot safely handle an emergency" or "The plane crashed due to the mechanical failure"?

3

Which is the best summary: "The city's recycling program struggled at first, but after a public awareness campaign, participation tripled within a year." — "A public awareness campaign boosted the city's recycling participation" or "The recycling program was cancelled due to low interest"?

4

Answer both (separate your two answers with a comma). 1) Which is the best summary: "Poor city planning led to constant traffic congestion, but a new public transport system reduced commute times significantly within months." — "A new transport system solved the city's traffic problems" or "The traffic congestion could never be fixed"? 2) Which is the best summary: "The old theatre faced closure due to low attendance, but a community fundraiser saved it and attendance has grown every year since." — "A community fundraiser saved the theatre and boosted attendance" or "The theatre closed permanently despite the fundraiser"?

5

Which is the best summary: "Engineers redesigned the bridge after inspectors found structural weaknesses, and it has safely carried traffic for over twenty years since." — "A redesign fixed the bridge and it has been safe ever since" or "The bridge was demolished after the inspection"?

6

Answer both (separate your two answers with a comma). 1) Which is the best summary: "The injured dancer was told she might never perform again, but years of physiotherapy led to her return to the stage." — "Persistence through physiotherapy led to the dancer's return" or "The dancer never performed again after her injury"? 2) Which is the best summary: "The researchers tagged hundreds of sea turtles over several years and discovered previously unknown migration routes spanning entire oceans." — "Years of tracking revealed new sea turtle migration routes" or "The researchers found that sea turtles do not migrate"?

7

Answer both (separate your two answers with a comma). 1) Which is the best summary: "The coral reef was bleached by rising temperatures, but a local restoration project has helped parts of it recover over five years." — "A restoration project helped the damaged reef begin recovering" or "The entire reef was permanently destroyed"? 2) Which is the best summary: "The city's bike-share program had few users at launch, but a free-trial campaign tripled ridership within six months." — "A free-trial campaign greatly increased use of the bike-share program" or "The bike-share program was cancelled due to low use"?

8. Answer both (separate your two answers with a comma). 1) Which is the best summary: "Engineers redesigned the bridge after inspectors found structural weaknesses, and it has safely carried traffic for over twenty years since." — "A redesign fixed the bridge and it has been safe ever since" or "The bridge was demolished after the inspection"? 2) Which is the best summary: "The old theatre faced closure due to low attendance, but a community fundraiser saved it and attendance has grown every year since." — "A community fundraiser saved the theatre and boosted attendance" or "The theatre closed permanently despite the fundraiser"?

9. Which is the best summary: "The old train line was shut down for decades, but a heritage group restored it and it now attracts tourists every weekend." — "A heritage group restored the old train line into a tourist attraction" or "The train line remains permanently closed and unused"?

10. Answer both (separate your two answers with a comma). 1) Which is the best summary: "The old train line was shut down for decades, but a heritage group restored it and it now attracts tourists every weekend." — "A heritage group restored the old train line into a tourist attraction" or "The train line remains permanently closed and unused"? 2) Which is the best summary: "The orchestra lost its main sponsor and nearly disbanded, but a public crowdfunding campaign raised enough to keep it running." — "Crowdfunding saved the orchestra after it lost its sponsor" or "The orchestra disbanded permanently after losing its sponsor"?
