✨ Grade 7 English — Discussion ✨

Name: Demo Grade 7 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) Should disagreement focus on the idea itself rather than attacking the person who said it? 2) Is it a sign of groupthink when everyone agrees instantly without considering other views?

2. Answer both (separate your two answers with a comma). 1) Is it useful to summarise the group's discussion before moving to a new point? 2) Should quieter group members be encouraged to share their thoughts too?

3. Answer both (separate your two answers with a comma). 1) Should participants stay on topic during a group discussion? 2) Is it useful to summarise the group's discussion before moving to a new point?

4. Answer both (separate your two answers with a comma). 1) Should everyone get a fair turn to speak in a group discussion? 2) Is repeatedly changing the subject just to avoid a difficult question a respectful discussion tactic?

5. Answer both (separate your two answers with a comma). 1) Should a group revisit an earlier point if new evidence later contradicts it? 2) Is it useful to summarise the group's discussion before moving to a new point?

6. Answer both (separate your two answers with a comma). 1) Is it acceptable to interrupt someone mid-sentence in a respectful discussion? 2) Is repeatedly changing the subject just to avoid a difficult question a respectful discussion tactic?

7. Answer both (separate your two answers with a comma). 1) Is repeatedly changing the subject just to avoid a difficult question a respectful discussion tactic? 2) Should one person be allowed to dominate the entire conversation?

8. Answer both (separate your two answers with a comma). 1) Should you be willing to change your position if someone presents stronger evidence than yours? 2) Is it useful to set a rough time limit for each major point in a long discussion?

9. Answer both (separate your two answers with a comma). 1) Should a discussion end with a clear summary of what was decided or agreed? 2) Should a discussion that has wandered off-topic be gently brought back to the original question?

10

Answer both (separate your two answers with a comma). 1) Should you be willing to change your position if someone presents stronger evidence than yours? 2) Is it a sign of groupthink when everyone agrees instantly without considering other views?
