✨ Grade 7 English — Essay Structure ✨

Name: Demo Grade 7 **Date:** 26/11/2026

1. In an essay about deforestation, which section links each paragraph's idea back to the overall argument?

2. In an essay about school start times, which section states the writer's overall argument?

3. Answer both (separate your two answers with a comma). 1) Which section of an essay should outline the main points the essay will cover? 2) Which section of an essay restates the argument and leaves a final impression?

4. Answer both (separate your two answers with a comma). 1) Should transitions between body paragraphs help the reader follow the essay's logic? 2) Should the introduction clearly preview what the essay will argue or cover?

5. In an essay about water scarcity, which section usually contains a thesis statement?

6. In an essay about urban green spaces, which section should never introduce brand new evidence for the first time?

7. In an essay about ocean conservation, which section usually contains a thesis statement?

8. Answer both (separate your two answers with a comma). 1) Should a conclusion simply repeat the introduction word-for-word? 2) Which section is the best place to leave the reader with a final, memorable thought?

9. Answer both (separate your two answers with a comma). 1) Which section of an essay typically comes immediately after the introduction? 2) Which section of an essay should outline the main points the essay will cover?

10. Answer both (separate your two answers with a comma). 1) Which section of an essay typically ends with a concluding sentence that ties back to the paragraph's main point? 2) Which section of an essay usually contains a thesis statement?
