✨ Grade 7 English — Narrative Techniques ✨

Name: Demo Grade 7 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "The final chapter jumps forward to a reunion thirty years after the story's main events." 2) What narrative technique is this: "The narrator pauses to say, "I must warn you, reader, this part is hard to tell.""

2. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "The story describes only what the young apprentice sees and feels, using "she" throughout." 2) What narrative technique is this: "A character's recurring dream throughout the story turns out to predict the ending."

3. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "The story describes only what the young apprentice sees and feels, using "she" throughout." 2) What narrative technique is this: "The narrator later reveals that events did not happen exactly as first described."

4. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "The narrator later reveals that events did not happen exactly as first described." 2) What narrative technique is this: "Readers later discover the calm, trustworthy-seeming narrator omitted her own part in the disaster."

5. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "The story is told twice: once from the thief's view, then again from the guard's view of the same night." 2) What narrative technique is this: "The narrator interrupts the story to say, "Reader, you must forgive me for what happens next.""

6. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "A story is revealed to have been a dream the whole time." 2) What narrative technique is this: "A single red balloon mentioned briefly early in the story reappears at a key moment later."

7. What narrative technique is this: "The story cuts back to show what the character was doing five years earlier."

8. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "The final chapter leaps forward twenty years to show how the characters' lives turned out." 2) What narrative technique is this: "Each chapter is narrated by a different member of the same family, describing the same holiday."

9. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "The final page reveals the narrator has been the villain all along." 2) What narrative technique is this: "Chapters alternate between a soldier's story in wartime and his granddaughter's story decades later."

10. Answer both (separate your two answers with a comma). 1) What narrative technique is this: "Chapters alternate between a soldier's story in wartime and his granddaughter's story decades later." 2) What narrative technique is this: "A story pauses the action to describe a character's childhood memory."
