✨ Grade 7 English — Reading Fluency ✨

Name: Demo Grade 7 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) When reading a riddle, should you pause before the answer to build curiosity? 2) When reading a list separated by semicolons, should you pause briefly at each one?

2. Answer both (separate your two answers with a comma). 1) Should your pitch stay perfectly flat throughout an entire exciting story? 2) When reading a countdown, like '3, 2, 1', should your pace build tension?

3. When reading a character pleading for help, should your tone carry urgency?

4. Answer both (separate your two answers with a comma). 1) When reading a formal speech, should your pace be rushed and careless? 2) When reading a sad, quiet scene, should your tone be soft or loud?

5. Answer both (separate your two answers with a comma). 1) When you reach a full stop, should you pause longer than at a comma? 2) When reading a tense chase scene, should your pace be fast or slow?

6. Answer both (separate your two answers with a comma). 1) When reading a joyful celebration scene, should your tone sound flat and dull? 2) When reading a countdown, like '3, 2, 1', should your pace build tension?

7. Answer both (separate your two answers with a comma). 1) When reading a character's whispered secret, should your volume drop? 2) When two characters argue in dialogue, should your voice change for each speaker?

8. Answer both (separate your two answers with a comma). 1) When reading an exciting plot twist, should your pace speed up or slow down? 2) When reading an exclamation mark, should your tone show more energy?

9. Answer both (separate your two answers with a comma). 1) When reading a calm, peaceful scene, should your pace slow down? 2) When you reach a comma, should you pause briefly or stop completely?

10

Answer both (separate your two answers with a comma). 1) When you reach a full stop, should you pause longer than at a comma? 2) When reading text in italics for emphasis, should you stress that word more?
