✨ Grade 7 English — Summarising ✨

Name: Demo Grade 7 **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) During a Q&A session after a science fair project, read a 5-paragraph article. Should a summary be roughly one paragraph or five paragraphs? 2) During a podcast episode about space exploration, should a summary maintain the same overall meaning as the original text?

2. Answer both (separate your two answers with a comma). 1) Should a summary include minor details that don't affect the main point? 2) Is it good practice to check your summary against the original for accuracy?

3. Answer both (separate your two answers with a comma). 1) During a staff meeting about the new school uniform, should a summary include your personal opinion about the topic? 2) During a discussion about the school's homework policy, should a good summary be written in your own words?

4. Answer both (separate your two answers with a comma). 1) During an interview about a local council election, should a summary include minor details that don't affect the main point? 2) During a podcast episode about space exploration, is quoting the first and last sentence of a text considered a proper summary?

5. Answer both (separate your two answers with a comma). 1) During a Q&A session after a science fair project, should you use the exact same sentences from the original text when summarising? 2) During a presentation about ancient Egypt, should a summary of a novel reveal every subplot in full detail?

6. Answer both (separate your two answers with a comma). 1) Should a summary include minor details that don't affect the main point? 2) Should a summary of a news article mention who, what, and why it happened?

7. During a group project on climate change, is it acceptable for a summary to be longer than the original text?

8. Answer both (separate your two answers with a comma). 1) Should a summary of a scientific article include the key findings? 2) Is it acceptable for a summary to be longer than the original text?

9 Answer both (separate your two answers with a comma). 1) During a podcast episode about space exploration, should a summary of a scientific article include the key findings? 2) During an assembly speech about road safety, should a summary of a recipe include every single cooking tip mentioned?

10 During a presentation about ancient Egypt, is it acceptable for a summary to be longer than the original text?
