✨ Grade 8 English — Introductions ✨

Name: Demo **Date:** 26/11/2026

1. Answer both (separate your two answers with a comma). 1) Which hook technique opens this introduction: "Every ninety seconds, another species disappears from the Earth forever." 2) Which hook technique opens this introduction: "Could the phone in your pocket be quietly reshaping the way your brain works?"

2. Answer both (separate your two answers with a comma). 1) Which hook technique opens this introduction: "Plastic pollution is not a distant problem — it is choking our oceans right now." 2) Which hook technique opens this introduction: "Hunger does not wait for a convenient time. For one in six children, it arrives every single day."

3. Answer all three (separate with commas). 1) Which hook technique opens this introduction: "Should a single test on a single morning decide a student's entire future?" 2) Which hook technique opens this introduction: "Over 40% of the food produced in Australia each year is never eaten." 3) Which hook technique opens this introduction: "Roughly one in four city apartments now sits empty while thousands sleep in shelters each night."

4. Answer both (separate your two answers with a comma). 1) Which hook technique opens this introduction: "Over 40% of the food produced in Australia each year is never eaten." 2) Which hook technique opens this introduction: "Every ninety seconds, another species disappears from the Earth forever."

5. Answer all three (separate with commas). 1) Which hook technique opens this introduction: "Education is not a privilege. It is a right every child deserves." 2) Which hook technique opens this introduction: "Could a single bee's disappearance really change how we eat?" 3) Which hook technique opens this introduction: "Nearly one in three teenagers reports feeling anxious about their online presence every single day."

6. Answer all three (separate with commas). 1) Which hook technique opens this introduction: "Silence is not safety. For too many commuters, it is simply bad luck that hasn't run out yet." 2) Which hook technique opens this introduction: "Almost 60% of coral on the reef has bleached in the last five years." 3) Which hook technique opens this introduction: "What happens to a town when its only hospital closes?"

7. Answer all three (separate with commas). 1) Which hook technique opens this introduction: "Over 40% of the food produced in Australia each year is never eaten." 2) Which hook technique opens this introduction: "What happens to a town when its only hospital closes?" 3) Which hook technique opens this introduction: "Silence. That is what greets most reports of workplace harassment."

8

Answer all three (separate with commas). 1) Which hook technique opens this introduction: "Imagine losing your home in the time it takes to read this sentence — for thousands of flood victims, that nightmare was real." 2) Which hook technique opens this introduction: "Nearly one in three teenagers reports feeling anxious about their online presence every single day." 3) Which hook technique opens this introduction: "Silence. That is what greets most reports of workplace harassment."

9

Which hook technique opens this introduction: "Imagine sitting an exam in a language you barely speak — for thousands of new migrants, that is reality."

10

Which hook technique opens this introduction: "Nearly one in three teenagers reports feeling anxious about their online presence every single day."
