✨ Grade 8 English — Persuasive Devices ✨

Name: Demo **Date:** 26/11/2026

1

Answer all three (separate with commas). 1) Identify the persuasive device used: "Isn't it time our leaders finally listened to young people?" 2) Identify the persuasive device used: "This is not just a policy failure. It is a moral failure. It is a failure we cannot forgive." 3) Identify the persuasive device used: "A single choice today could save a thousand tomorrows."

2

Answer all three (separate with commas). 1) Identify the persuasive device used: "Nine out of ten experts agree — this is the single most urgent issue facing our generation." 2) Identify the persuasive device used: "We stand at a crossroads: act now, or watch everything we love disappear." 3) Identify the persuasive device used: "Never again should a family be left without shelter. Never again should a child go hungry."

3

Answer both (separate your two answers with a comma). 1) Identify the persuasive device used: "If you truly care about the future, you cannot ignore this any longer." 2) Identify the persuasive device used: "Vulnerable elderly residents are being callously neglected by a system built to fail them."

4

Answer all three (separate with commas). 1) Identify the persuasive device used: "Honest, hopeful, and hard-working — these are the values our community deserves." 2) Identify the persuasive device used: "Act now. Act boldly. Act before it is too late." 3) Identify the persuasive device used: "Bold, bright, and unapologetic — that is the future we are fighting for."

5

Answer all three (separate with commas). 1) Identify the persuasive device used: "Never again should a family be left without shelter. Never again should a child go hungry." 2) Identify the persuasive device used: "Defenceless animals are being abandoned to suffer and starve." 3) Identify the persuasive device used: "Thousands have already signed the petition — will you be the one left behind?"

6

Answer both (separate your two answers with a comma). 1) Identify the persuasive device used: "We will fight. We will not back down. We will win." 2) Identify the persuasive device used: "Thousands have already signed the petition — will you be the one left behind?"

7

Answer both (separate your two answers with a comma). 1) Identify the persuasive device used: "Helpless victims are being left to suffer in silence while officials look away." 2) Identify the persuasive device used: "Bold, bright, and unapologetic — that is the future we are fighting for."

8

Answer all three (separate with commas). 1) Identify the persuasive device used: "Vulnerable elderly residents are being callously neglected by a system built to fail them." 2) Identify the persuasive device used: "Thousands have already signed the petition — will you be the one left behind?" 3) Identify the persuasive device used: "Nine out of ten experts agree — this is the single most urgent issue facing our generation."

9

Answer both (separate your two answers with a comma). 1) Identify the persuasive device used: "Bold, bright, and unapologetic — that is the future we are fighting for." 2) Identify the persuasive device used: "Can we really call ourselves a caring society while this continues unchecked?"

10

Answer both (separate your two answers with a comma). 1) Identify the persuasive device used: "A single choice today could save a thousand tomorrows." 2) Identify the persuasive device used: "We will fight. We will not back down. We will win."
