✨ Grade 8 English — Plot ✨

Name: Demo **Date:** 26/11/2026

1. Which stage or technique of plot structure is this: "The story begins mid-chase, with the characters' identities only explained several pages later."

2. Answer all three (separate with commas). 1) Which stage or technique of plot structure is this: "The two commanders finally face each other on the battlefield in the story's most intense moment." 2) Which stage or technique of plot structure is this: "The story closes by showing how the characters' lives have settled after the conflict." 3) Which stage or technique of plot structure is this: "After the confrontation, loose ends begin to be tied up as the tension eases."

3. Answer all three (separate with commas). 1) Which stage or technique of plot structure is this: "The two commanders finally face each other on the battlefield in the story's most intense moment." 2) Which stage or technique of plot structure is this: "We meet the apprentice blacksmith and learn about his quiet life in the village before anything unusual occurs." 3) Which stage or technique of plot structure is this: "After the climax, the hero deals with the immediate aftermath of the final confrontation."

4

Answer all three (separate with commas). 1) Which stage or technique of plot structure is this: "A mysterious map arrives at the farmhouse door, setting the whole adventure into motion." 2) Which stage or technique of plot structure is this: "A single small event, like a mysterious letter arriving, sets the whole plot into motion." 3) Which stage or technique of plot structure is this: "The two commanders finally face each other on the battlefield in the story's most intense moment."

5

Answer both (separate your two answers with a comma). 1) Which stage or technique of plot structure is this: "The final chapter shows the protagonist settled into her new, changed life." 2) Which stage or technique of plot structure is this: "The protagonist's ordinary world and daily routine are established before anything unusual happens."

6

Answer both (separate your two answers with a comma). 1) Which stage or technique of plot structure is this: "The two rival inventors finally present their machines before the judges in the decisive final round." 2) Which stage or technique of plot structure is this: "A mysterious map arrives at the farmhouse door, setting the whole adventure into motion."

7

Answer all three (separate with commas). 1) Which stage or technique of plot structure is this: "The narrative jumps straight into a dramatic chase scene before explaining who the characters are." 2) Which stage or technique of plot structure is this: "The protagonist finally confronts her greatest rival in the story's most intense moment." 3) Which stage or technique of plot structure is this: "Complications pile up one after another, each raising the stakes for the protagonist."

8

Answer all three (separate with commas). 1) Which stage or technique of plot structure is this: "Every rescue attempt the team tries fails, with the situation growing more dangerous each time." 2) Which stage or technique of plot structure is this: "Word of the detective's discovery spreads quickly, and the other characters begin reacting to the truth." 3) Which stage or technique of plot structure is this: "In the aftermath of the duel, the townspeople slowly learn what really happened."

9

Answer all three (separate with commas). 1) Which stage or technique of plot structure is this: "The narrative jumps straight into a dramatic chase scene before explaining who the characters are." 2) Which stage or technique of plot structure is this: "Every rescue attempt the team tries fails, with the situation growing more dangerous each time." 3) Which stage or technique of plot structure is this: "We meet the apprentice blacksmith and learn about his quiet life in the village before anything unusual occurs."

10

Answer all three (separate with commas). 1) Which stage or technique of plot structure is this: "The story closes by showing how the characters' lives have settled after the conflict." 2) Which stage or technique of plot structure is this: "The protagonist finally confronts her greatest rival in the story's most intense moment." 3) Which stage or technique of plot structure is this: "The two commanders finally face each other on the battlefield in the story's most intense moment."
